Personal Profile

Hello, I'm Misha! I am a Full Stack Web Developer with a strong foundation in computer science and a passion for creating intuitive and engaging web applications. My technical skills include HTML, CSS, Tailwind, JavaScript, React, Next, Vue3, Angular, Node.js, SQL, JSON, MongoDB, Git, and Swagger. I am a proactive problem-solver and effective team player, dedicated to delivering high-quality web solutions for my clients. I am always seeking out new challenges and opportunities to grow and learn as a developer.

MyProjects

- Ip Adress Tracker [Tailwind, React, TypeScript, leaflet]-github source
